DOGELON CLASSIC COMMUNITY

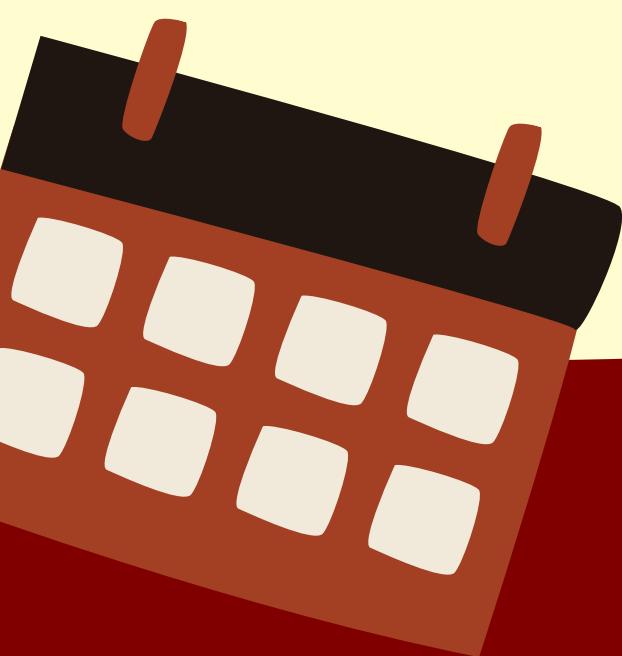

Dogelon Classic thrives to be one of the top community in all of DeFi. We're more than a project, \$ELONC is a family, a collective of like minded people who shares the same views. Over the months of the recent bear market, dozens of projects failed to create such a strong community.

OUR AIM

What is our aim with \$ELONC? It's quite imperative to understand that there are 2 major factor that makes plays into a projects success, a strong community and utility. Our aim is to maximize both factors. ELONC will be exploring NFT, Staking, Community Events and much more. To summarize, DOGELON Classic's aim is to utilize the strength of our community and deliver our investors both profit and also a sense of home.
